Registration Form
“High Performance PL/SQL:
Unleashing the Power of Server-Side Development”
with Michael Rosenblum**

sponsored by New York Oracle Users Group (NYOUG)

Michael Rosenblum is a Software Architect/Senior DBA at Dulcian, Inc., where he is responsible for system tuning and application architecture. Michael supports Dulcian developers by writing complex PL/SQL routines and researching new features. He is the co-author of [Oracle PL/SQL Performing Tuning Tips & Techniques](#) (Oracle Press, 2014) *PL/SQL for Dummies* (Wiley Press, 2006), contributing author of *Expert PL/SQL Practices* (Apress, 2011), as well as the author of a number of database-related articles (appearing in IOUG *SELECT Journal* and ODTUG *Technical Journal*) and conference papers. Michael is an Oracle ACE, a frequent presenter at various Oracle user group conferences (Oracle OpenWorld, ODTUG, IOUG Collaborate, RMOUG, NYOUG, etc.), and winner of the ODTUG Kaleidoscope 2009 Best Speaker Award. In his native Ukraine, he graduated summa cum laude from the Kiev National Economic University, where he received a Master of Science degree in Information Systems.
